In December, more than \$15,000 worth of items were stolen from the YMCA at Simon Meadow. These supplies facilitated our popular community programs including Fun Family Friday Nights, Summer Day Camp, the Pumpkin Festival and Winter Festival.

Thieves cannot steal the hometown spirit that makes our community great. We acquired a wonderful parcel of land in Simon Meadow and it serves as the focal point of our community events. Be an angel and a hero: help the YMCA grow in our good works in the Palisades with your contribution to this special fundraising event.

Donations will be accepted at the event.

Additionally, gifts are always accepted at our facility at 821 Via de la Paz, Pacific Palisades, CA 90272 or give online at www.ymcala.org/palisades

Heroes and Angels is a fundraising event to help fund new program supplies for the YMCA and expand our offerings at Simon Meadow.

The sponsorship opportunities will help replace the items that were stolen.
